Introduction

This directory provides a list of Quartz Medicare Advantage and Quartz Dual Eligible network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage document.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. Choosing a PCP is required when you enroll in one of Quartz's Medicare Advantage plans.

Selecting a Primary Care Provider

As a Quartz Medicare Advantage (HMO) or Quartz Dual Eligible member, you should choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from network providers.

Aurora Health Quartz Medicare Advantage plans

- If you receive your services through Aurora Health Care, you may get help finding or changing your PCP by calling (414) 290-9671.
- If you receive your services through ProHealth Care, you may get help finding or changing your PCP by calling the ProHealth Physician Referral Line at (262) 928-2745.

Gundersen Quartz Medicare Advantage & Gundersen MN Quartz Medicare Advantage plans

- For help finding or changing your PCP, you may call Gundersen Health System New Patient Registration Department at (608) 775-0601.

UW Health Quartz Medicare Advantage & UW Health IL Quartz Medicare Advantage plans

- If you receive your services through UW Health in Illinois, you may get help finding or changing your PCP by calling the HealthConnect Department at (779) 696-7081.
- If you receive your services through UW Health, you may get help finding or changing your PCP by calling the UW Health Welcome Center at (608) 821-4819.
- If you receive your services through UnityPoint Health – Meriter, for help finding or changing your PCP, you may call a Quartz Champion at (800) 394-5566 (TTY: 711).

Emergency/Urgent Care

You may receive covered emergency medical care whenever you need worldwide and urgently needed services when out of the plan's service area. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health.

- If you are seen in the emergency room and are admitted, we will communicate with that provider to manage and follow up on your care.
- If your emergency care is provided by a network provider, you are entitled to follow-up care to be sure your condition continues to be stable.
- If your emergency care is provided by an out-of-network provider, you are entitled to follow-up care to be sure your condition is stable enough to allow travel home, where you can be treated in-network. We will then try to arrange for network providers to take over your care as soon as your medical condition and circumstances allow.

Non-emergency services by non-network providers will require a referral authorization from your network provider. Referral authorization must be approved before services can be rendered. If you should receive a bill for the full cost of your covered services from a non-network provider, submit it to Quartz Medicare Advantage for processing and determination of your liability, if any.

For more information, see the Medical Benefits Chart in Chapter 4 of your Evidence of Coverage document, which is available in your Quartz MyChart account.

Please note that although services are provided through the Quartz Medicare Advantage network delivery system, the continued participation of a doctor, hospital, or facility cannot be guaranteed. We recommend that you confirm the participation of the provider before scheduling an appointment.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Quartz Medicare Advantage will be responsible for the costs.
