For Quartz West – State of Wisconsin Group
Health Insurance Program

Care at your fingertips

With your Quartz plan, you have access to a trusted network of doctors and facilities. The Quartz Provider Directory can help you easily find an in-network doctor and other details about how and where to get care.

The information in this directory applies to most Quartz members. Some health benefits vary by plan. Please read your plan documents to confirm your coverage details.

Note:

- Directory information may change as providers join or leave the network, move, or retire.
- Before getting care, be sure to check that the provider you want to see is in your network and taking new patients.

Please visit QuartzBenefits.com/FindADoctor for the most up-to-date list of providers in your network.

If you'd like a free, printed copy of our provider directory, call Quartz Customer Success, and they will mail one to you.

Primary coverage area for Quartz West Network

Your provider network

Your plan includes access to health care providers in our network. A network is a group of doctors and medical professionals who have an agreement with Quartz to treat our members. They'll bill us for your care. If we don't have a contract with a provider, they're considered out-of-network.

Quartz has several different networks. Your network is listed on your ID card. You can search for providers in your network at QuartzBenefits.com/FindADoctor. Simply pick the network name listed on your ID card, and a list of in-network providers will appear in the search results.

If you don't see a provider on the list, they are out-of-network and not likely to be covered under your plan. Some Quartz plans will cover services from doctors outside of your network. If you're unsure whether a provider is in-network or out-of-network, please call their office to check or contact Quartz Customer Success for help.

The map below shows the primary coverage area for your network. You'll see the counties where most in-network doctors are located. There may be other in-network providers outside of those counties, too. Use our Find a Doctor tool on our website to check.

Establishing primary care

QuartzBenefits.com/FindADoctor

We ask you to choose a primary care provider (PCP) or primary care clinic (PCC) upon enrollment. If you don't, we'll assign you a PCC near your home. You can make a new selection at any time, and family members don't need to have the same provider or clinic. Once you've chosen a PCP who best meets your needs, you can update your record via MyChart.

Where to get care

Choose the right care at the right place based on your situation. For all types of care, check to see what your plan covers, especially before being treated by someone other than your PCP. You can see all your benefits in MyChart (QuartzMyChart.com).

Prior authorization

Most of the time, you won't need to check with Quartz before getting care. In some situations, though, you might need our okay first before we cover the costs. This process is called prior authorization. You, your doctor, or your nurse will fill out a General Prior Authorization Request Form and send it to Quartz for our review. We will let you and your provider know if the service is covered by your plan (approved) or not covered (denied). If the request is denied, we will tell you how you can appeal the decision. Learn more about prior authorizations and download the forms at QuartzBenefits.com/PAForms.

Referrals

As a Quartz member, you'll never need a referral to see your PCP or other providers within your network.

Note:

- Some specialists may only accept you as a patient if you've been referred by your PCP.
- When getting specialty care, you may need approval from Quartz ahead of time to be sure the services are covered by your plan.

Pharmacy benefits

Quartz does not provide pharmacy benefits for the State of Wisconsin Group Health Insurance Program. Visit Navitus at navitus.com for information about your prescription drug benefits.

Important Information about the Provider Directory

This directory was developed to help you easily find health care providers to meet your unique needs. It contains general information that would apply to most Quartz members. However, health benefit plans vary - please read your certificate of coverage to determine what services and supplies are covered. Note:

- Information in this directory may change as providers join or leave the network, move or retire.
- You may dispute out-of-network charges if a provider was listed as in-network prior to the provision of care.
- Quartz does not use criteria such as quality measures, member experience measures or cost-related measures to select practitioners for participation in Marketplace silver tier plans.
- Quartz does not use criteria such as quality measures, member experience measures, patient safety measures or cost-related measures to select hospitals for participation in Marketplace plans.
- Before getting care, verify the provider you choose is still in Quartz's network and is accepting new patients.

Important notice to all POS enrollees – Before scheduling appointments, Quartz strongly encourages you to contact us to verify the status of the providers involved in your care. Such information may influence your selection of a provider and affect the level of copayment, deductible and coinsurance amounts applicable to the care you receive. The participating providers in your network may change during your plan year. Please send a message to Quartz Customer Success through the message center within MyChart at QuartzMyChart.com, call (800) 362-3310 or email CustomerService@QuartzBenefits.com to learn more about the participating providers in your network and the financial implications of receiving care from non-participating providers or to dispute out-of-network charges if a provider was listed as in-network prior to the provision of care.

Enrolling in Quartz HMO plan does not guarantee services by a particular provider on this list. If you wish to be certain of receiving care from a specific provider listed, you should contact that provider to ask whether or not the provider is still a Quartz provider and whether or not the provider is accepting additional patients.

Questions? Send us a message through MyChart at QuartzMyChart.com or call Quartz Customer Success at (844) 644-3455.
