## USER GUIDE

MyChart makes it easy to find information that's important to you.

### Start with the Menu

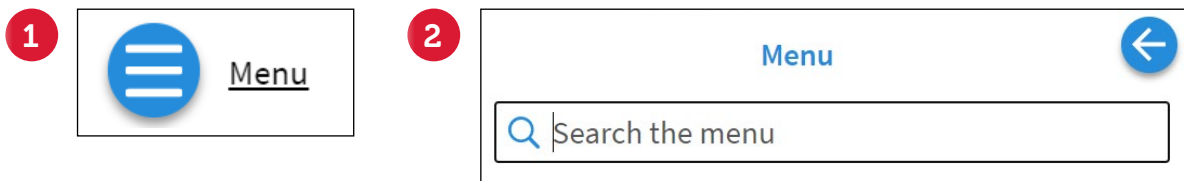

Click to see a list of options, including some of the most requested features:

- ▶ Check out your **Coverage**
- ▶ **Print an ID Card**
- ▶ **Find a Doctor**
- ▶ Explore **Pharmacy Benefits**
- ▶ **Ask a Question**

### Share Securely

Don't miss the **Sharing** options, especially **Link My Accounts**. When you connect your accounts from participating organizations, you may be able to see unread messages, test results, your allergies, and more from Quartz MyChart.

### Search for More

You can also **Search the menu** for quick results. Give it a try: type **accumulators** or **deductible** in the search field to go right to the source.

### Stay Up to Date

MyChart's dynamic home page is customized to your needs. For example, you might see a new Explanation of Benefits, a vaccine reminder, or prompts to explore other features of MyChart. Be sure to check out what's new in your homepage feed whenever you log in.
