Quartz Wins Gallup's Exceptional Workplace Award

Madison, Wisconsin — Quartz Health Solutions, Inc. (Quartz) announced it has been named a winner of Gallup's Exceptional Workplace Award (GEWA). Founded in 2007, the GEWA celebrates organizations that incorporate employee engagement into the bedrock of how they do their work, motivate their team, and achieve business outcomes.

Organizations that receive this award have to meet rigorous standards of excellence established by Gallup. Quartz is one of 39 companies recognized with this distinction in 2021. Only 4% of organizations Gallup works with are eligible for this award, and only a little over 2% of organizations win.

Dr. Mark Selna, Quartz president and CEO, says, "At Quartz, we put the engagement of our employees at the heart of our business strategy. We know engaged employees are more creative, innovative, and productive, which allows them to take better care of our customers."
