When it comes to your health care coverage, Quartz is helping you get the most from your plan. With access to a robust network of providers across the state, plus supportive, local customer service, and additional whole-health benefits — that's the Quartz difference.

To prepare for 2025, we wanted to share with you some plan highlights for the coming year that will take effect on January 1, 2025:

- Find support for your mental, physical, and emotional well-being with Quartz well-living programs for your whole health
- Expanded the lifetime limit on orthoptic eye training from two to no more than twelve visits
- Review and download the 2025 Quartz Central Network provider directory at QuartzBenefits.com/2025CentralDirectory. For a list of providers and facilities that will no longer be part of our network, visit QuartzBenefits.com/2025CentralTermedProviders
- The Certificate of Coverage now allows members to access nutritional counseling for weight management without requiring bariatric surgery preparation.
