This Medicare Select policy was developed to help meet the health care needs of people who are eligible for Medicare Parts A, B, and D. It can help fill in the gaps between your Medicare coverage and your health care requirements.

THE TIME TO ENROLL

There is an open enrollment period for people who apply for this policy within six months after enrolling in Medicare Part B. Individuals who are enrolled in Medicare Part B before the age of 65 have an additional open enrollment period for six months after they turn 65. After an open enrollment period, coverage will be permitted only after approval of a medical questionnaire, unless the individual applying for coverage falls within an exception entitling them to coverage without underwriting.

HOW TO ENROLL

Simply fill out the enclosed application and Medicare Notice, and mail them with your check in the postage-paid envelope. If you have any questions, please call us toll-free at (800) 362-3310.

PRE-EXISTING CONDITION LIMITATION

Until you have been covered by this policy for six months, no benefits will be paid for medical care, advice, service or treatment for any injury or sickness or any related condition for which treatment was received within the six-month period before your coverage first became effective. However, benefits are payable under this policy for any condition covered by any other **Quartz** policy in effect prior to the **effective date** of this certificate if coverage is continuous and without lapse. In addition, the waiting period will be reduced by that period of time that a **member** was covered by **continuous creditable coverage**. The waiting period will not apply to a person who is eligible for guaranteed issuance of this certificate.

COVERAGE

This Medicare Select policy supplements Medicare. It covers some **hospital, skilled nursing facility**, medical, surgical, and other outpatient services that are partially covered by Medicare. It will not cover all your health care expenses. This policy does not provide benefits for **custodial care**, such as help in walking, getting in and out of bed, eating, dressing, bathing, and taking medicine.

PRIMARY CARE PROVIDER

Quartz requires you to select a **Primary Care Provider (PCP)** or clinic when you enroll under this policy. Your **PCP** will provide many of the services that you need. Your **PCP** is an important part of your health care team. He or she will coordinate the health care services you receive and will keep a complete medical record to better ensure your good health. Your **PCP** will also refer you to a specialist when specialty care is needed.

REFERRALS

If your **PCP** wants you to receive specialty care, your **PCP** will refer you to a specialist in **Quartz's network**. If you want to see a specialist outside of **Quartz's network**, **Quartz** must authorize the visit **before** services are received. Your **PCP** will request this **prior authorization** for you.

RENEWAL

This policy is guaranteed renewable, although it may be canceled for nonpayment of **premium** or material misrepresentation or if you move outside the **Quartz service area**. **Premium** rates may change for your policy only if **premium** rates are changed for all policyholders to whom we have issued this policy.

OUT-OF-PLAN CARE

Quartz requires **members** to utilize in-plan providers for services. Exceptions are made for (1) out-of-plan emergency care, and (2) out-of-plan care that has been **prior authorized** by **Quartz**. If you receive authorized out-of-plan care or emergency care, you must submit an itemized bill and a copy of the Medicare Explanation of Benefits to **Quartz** so that the claim may be processed.
