Quartz – UW Health Network Service Area

GETTING TO KNOW YOUR NETWORK

Your health insurance includes access to in-network providers. A “network” is a group of doctors and other medical providers who have agreed with Quartz to provide services to Quartz members and bill us for your care. If we do not have a contract with a doctor or provider, they are considered out-of-network.

- ▶ Quartz has several different networks. Yours is **listed on your ID card**. You can search for providers in your network at QuartzBenefits.com/findadoctor. Simply enter the network name that is on your ID card and a list of providers in your network will show in the search results.
- ▶ If a provider is not on the list, they are out-of-network and likely are not covered under your plan. Some Quartz plans, however, do cover services with doctors not in your network. If you are not sure if a provider is in-network or out-of-network, simply call their office to check or call Quartz Customer Service for help.

Establishing Primary Care

A good relationship with a primary care provider (PCP) can make a big impact on your health and well-being. That's why finding a PCP who understands your needs is important. **Look for a PCP who:**

- ▶ Is recommended by your friends, family or co-workers
- ▶ Has training and experience that meets your needs
- ▶ Listens, encourages you to ask questions and offers clear explanations
- ▶ Treats you with respect

Go to **QuartzBenefits.com/findadoctor**. Have your member ID card handy to make sure you are searching in the right network.

Once you have picked a PCP who best meets your needs, let us know. Go to **QuartzMyChart.com** and log in to your MyChart account. Under **Quick Links**, choose **Change your Quartz PCP** and follow the prompts.

If you don't choose a PCP, we will assign you to a primary care clinic near your home. You can make a new selection at any time. Family members do not need to have the same provider or clinic.

GO MYCHART

Every Quartz member needs MyChart, your one-stop access to benefits and claims details, important plan documents and more. Setup your account now so it's ready when you need it. Go to **QuartzMyChart.com**, click **Sign Up Now** and follow the prompts for instant activation.

Prior Authorization

Most of the time, you can see a doctor, get prescriptions filled or take care of your other medical needs without checking with

Quartz. However, sometimes you might need our okay ahead of time before we cover the costs.

This process is called prior authorization. You, your doctor or nurse will fill out either a **General Prior Authorization Request Form** or a **Medication Prior Authorization Form** and send it to Quartz for our review. We will let you and your provider know if the service is covered by your plan (approved) or not covered (denied). If the request is denied, we will tell you how you can appeal the decision.

- ▶ Learn more about prior authorization and download forms at QuartzBenefits.com/priorauth and QuartzBenefits.com/medpriorauth.

Pharmacy Benefits

Quartz does not provide pharmacy benefits for the State of Wisconsin Group Health Insurance Program.

- ▶ Visit Navitus at navitus.com for information about your prescription drug benefits.

Take Notice

Wisconsin Office of the Commissioner of Insurance
P.O. Box 7873
Madison, WI 53707-7873

(608) 266-3585

Referrals

Quartz does not need you to get a referral from your PCP to see other providers in your network. **Keep in mind:**

- ▶ Some specialists may only accept you as a patient if you have been referred by your PCP.
- ▶ You may need Quartz's approval ahead of time to make sure specialist care is covered by your plan.

When You Need Care

No matter what type of care you need, check to see what your plan covers, especially before being treated by someone other than your PCP. **Remember:**

- ▶ Your benefits may differ from other Quartz members
- ▶ You may need a referral or **prior authorization** before some services will be covered
- ▶ You can see all your benefits by logging in to **MyChart**
