Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$1,500 Individual/\$3,000 Family Combined medical and prescription drug deductible	If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. <u>Deductible</u> exceptions include office visit <u>copays</u> and for federally required <u>preventive services</u> . The <u>deductible</u> starts over with each plan year beginning on January 1st.
Are there services covered before you meet your deductible?		This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/

What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Individual/ \$5,000 Family	Families must meet full family <u>out-of-pocket limit</u> before your <u>plan</u> pays. The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. The federal <u>maximum out-of-pocket</u> is \$8,700 individual/\$17,400 family. This applies to all essential health benefits, including some services not included in the <u>out-of-pocket limit</u> . (i.e. certain level 3 & 4 <u>prescription drugs</u> and adult hearing aids covered under this <u>plan</u>).
What is not included in the out-of-pocket limit?	Copayments paid by for adult hearing aids, premiums and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the different between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.

The plan would be responsible for the other costs of these EXAMPLE covered services.
