# About This Guide

This guide provides a high-level overview of benefits available to you for 2023; open enrollment is **September 26 to October 21, 2022**. For complete information, visit [etf.wi.gov/insurance](https://etf.wi.gov/insurance)

## Your Enrollment Checklist

### I'm happy with my benefits

#### ☐ Review changes for next year

Each year there are changes to your benefits. Make sure that your plan is still available in your area.

- You do not need to re-enroll in health, dental, or vision insurance each year if you want to keep the same coverage you have now. Double check that your providers are still available.
- Every year, you *do* need to re-enroll for other options, such as an FSA, if offered by your employer.

#### ☐ Make sure your doctors are still covered

Go to our website to see the provider directory for your health plan.

If you are not changing health coverage, no action is needed.

Questions?

Employees: Contact your payroll/benefits office.

Retirees: Contact ETF at 1-877-533-5020.

### I'd like to make a change or I'm new

#### ☐ Follow the steps in this guide

This guide was designed for you. There are steps and guidance throughout.

**Are you an employee? Are you a retiree without Medicare and all members on your health insurance do not have Medicare?**

Pick a health plan for participants without Medicare. All members will have the same health plan.

**Are you a retiree with Medicare and non-Medicare members on your health insurance?**

Pick a Medicare health plan.

- If IYC Medicare Advantage or Medicare Plus is selected, then pick a second plan for your non-Medicare members.
- If Health Plan Medicare is selected, your non-Medicare members will have the same health plan, just the non-Medicare version.

**Are you a retiree with Medicare and all members on your health insurance are enrolled in Medicare Parts A and B?**

Pick a Medicare health plan. All members will have the same health plan.

#### ☐ Enroll

Employees: Contact your payroll/benefits office.

Retirees: Complete a *Group Health Insurance Application/Change for Retirees* (ET-2331), available online or from ETF.

## Health Plan Quality

Each year, participating health plans are evaluated on key care delivery areas, such as wellness, prevention, disease management, customer satisfaction, and efficient use of resources. Participating health plans report health care quality outcomes to leading national organizations, such as the National Committee for Quality Assurance (NCQA) and the Centers for Medicare & Medicaid Services (CMS). Visit [etf.wi.gov](https://etf.wi.gov) for more information about health plan quality. You can use these quality resources to help make an informed decision about which health plan is right for you.

# Monthly Premiums (Participants **without** Medicare)

## Step 3: Consider Supplemental Benefits

You may be eligible for even more coverage if your employer chooses to offer dental, vision, and/or accident insurance.

Retirees are eligible for dental and vision insurance.

## Dental Insurance

### Step 1: Sign up for basic coverage

Get covered for basic procedures such as cleanings, fluoride treatment, fillings, and orthodontia

#### Uniform Dental

Available to those **enrolled** in health insurance under the State of Wisconsin Group Health Insurance Program

or

#### Delta Dental PPO Plus Premier™ – Preventive Plan

Available to those **not enrolled** in Uniform Dental

+

#### Delta Dental PPO™ - Select Plan

or

#### Delta Dental PPO Plus Premier™ - Select Plus Plan

### Things to Note

- Uniform Dental coverage mirrors your health insurance coverage. Example: If you elect family health insurance with dental, you will be enrolled in family dental coverage.
- Enrollment continues each year unless you cancel during the open enrollment period. You cannot cancel the Preventive, Select, or Select Plus plans mid-year without a qualifying event.
- Make sure your dentist is covered. The Select Plan has fewer in-network dentists than the Select Plus, Uniform Dental, and Preventive plans.
