- Quartz HSA and Deductible family plans have an aggregate deductible. Aggregate means that if more than one person is covered by the plan, the "per person" deductible does not apply. The family deductible must be met before Quartz will pay benefits. One person's claims may satisfy the entire family deductible. Likewise, the "per person" Maximum-Out-of-Pocket Limit does not apply to family plans. However, to comply with Health Care Reform rules, one member of a family will never pay more than \$8,700.
- Only applies to the first three office visits with PCP then deductible and coinsurance applies.
MOOP = Maximum-Out-of-Pocket.
Quartz is a Qualified Health Plan issuer in the Health Insurance Marketplace.
Quartz does not discriminate on the basis of race, color, national origin, disability, age, sex, gender identity, sexual orientation, or health status in the administration of the plan, including enrollment and benefit determinations.
