*Quartz HSA and Deductible family plans have an aggregate deductible. Aggregate means that if more than one person is covered by the plan, the "per person" deductible does not apply. The family deductible must be met before Quartz will pay benefits. One person's claims may satisfy the entire family deductible. Likewise, the "per person" Maximum-Out-of-Pocket Limit does not apply to family plans. However, to comply with Health Care Reform rules, one member of a family will never pay more than \$8,700.

**Only applies to the first three office visits with PCP then deductible and coinsurance applies.
