

Individual recurring payment option

To serve you better, Quartz offers recurring payment options to ensure your payments are always on time. You will also receive a monthly invoice showing how much your premium is each month. You can schedule your premium payment to withdraw from your bank account automatically by completing the information below and emailing this form to Billing@QuartzBenefits.com. Or, for faster service, you can log in to Quartz MyChart to set it up online 24/7. You can also call **(800) 362-3310** to set it up over the phone.

Please note: If your policy requires a binder payment to activate coverage, the recurring payment will be effective after you have paid the binder payment and you receive your first invoice.
