Summary of Benefits

January 1, 2023 – December 31, 2023

This Summary of Benefits booklet gives you an overview of what **Quartz Medicare Advantage (HMO), in partnership with Gundersen Health System – Minnesota**, covers and what you pay. It doesn't list every service that we cover or every limitation or exclusion. To get a complete list of services we cover, call a Quartz Champion and ask for the "Evidence of Coverage." Phone numbers are listed on the next page.

Quartz Medicare Advantage is an HMO plan with a Medicare contract. Enrollment in this plan depends on contract renewal. Benefits, premiums, copayments, and coinsurance **may change on January 1 of each year**. Limitations, copayments, and restrictions may apply. Other pharmacies/physicians/providers are available in our network. Other plans may be available in the service area. The formulary, pharmacy network, and provider network may change at any time. You will receive notice about these changes when necessary.

Who Can Join?

To join Quartz Medicare Advantage, you must be entitled to **Medicare Part A, enrolled in Medicare Part B, and live in our service area**. Our service area includes the following counties:

- **Minnesota:** Filmore, Houston, Wabasha, and Winona

Which Doctors, Hospitals, and Pharmacies Can I Use?

Quartz Medicare Advantage has a network of doctors, hospitals, pharmacies, and other providers. Generally, you need to use network pharmacies to fill your prescriptions for covered Part D drugs. If you use the providers not in our network, the plan may not pay for those services. For some services, you can use providers that are not in our network. You can see our plan's provider/pharmacy directory at our website, QuartzBenefits.com/MAfindadoctor, or call us and we will send you a copy.

This information is not a complete description of the benefits. Call **(800) 394-5566** or **(TTY: 711)** for more information.

What Do We Cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and more. Our plan members get all the benefits covered by Original Medicare. You may pay more in our plan for some of these benefits than you would in Original Medicare. For others, you may pay less. Our plan members also get more benefits than what is covered by Original Medicare. You'll find some of these benefits outlined in this booklet.

We cover Part D drugs. We also cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of covered drugs) and any restrictions on our website, QuartzBenefits.com/MAFormularyPage, or call us and we will send you a copy of the formulary.

How Do I Determine My Drug Costs?

Our plan groups each medication into one of six "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document, we explain the benefit stages: Prescription Deductible (if your plan has one), Initial Coverage, Coverage Gap, and Catastrophic Coverage.

Need More Information?

If you're a member or would like to become one, please call us at **(800) 394-5566 (TTY: 711)**, or go to our website at QuartzBenefits.com/MedicareAdvantage.

Hours: From October 1 to March 31, you can call us seven days a week from 8 a.m. to 8 p.m. From April 1 to September 30, you can call us Monday through Friday from 8 a.m. to 8 p.m.

More Information about Original Medicare

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare and You" handbook. View it online at medicare.gov or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Pre-enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Quartz Champion at **(800) 394-5566 (TTY: 711)**.

Understanding the Benefits

- ☐ **The Evidence of Coverage (EOC)** provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. To view a copy of the EOC, visit QuartzBenefits.com/MedicareAdvantage or call **(800) 394-5566 (TTY: 711)**.
- ☐ **The Provider/Pharmacy Directory.** Review our directory (or ask your doctor) to make sure the providers you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you will need to continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums, and/or copayments/coinsurance may change on **January 1, 2023**.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in our provider/pharmacy directory).

Prescription Drug Coverage Available with Core D, Value D, and Elite D plans

If you reside in a long-term care facility, you pay the same costs as at a retail pharmacy. You may get drugs from an out-of-network pharmacy but may pay more than you pay at an in-network pharmacy. Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits. Part D vaccines are covered at no cost to you. Also, you won’t pay more than \$35 per month for covered insulin, no matter what tier it is on.

Stage 1: Yearly Prescription Deductible	Retail and Mail-order: \$0 per year for Part D deductible.			
Stage 2: Initial Coverage	You pay the following until your total yearly drug costs reach \$4,660 . Total yearly drug costs are the total drug costs paid by both you and your Part D plan. You may get your drugs from network retail or mail-order pharmacies. <ul style="list-style-type: none">For retail: Your share of the retail cost shown is based on a 30-day, 60-day, or 90-day covered Part D prescription drug.For mail-order: Your share of the cost shown is based on a 90-day supply of a covered Part D prescription drug.			
	30-Day	Retail 60-Day	90-Day	Mail-Order 90-Day
Tier 1 (Preferred Generic)	\$2	\$4	\$6	\$5
Tier 2 (Generic)	\$15	\$30	\$45	\$38
Tier 3 (Preferred Brand)	\$45	\$90	\$135	\$113
Tier 4 (Non-Preferred Drugs)	\$100	\$200	\$300	\$300
Tier 5 (Specialty Tier)	33% of cost	N/A	N/A	N/A
Tier 6 (Vaccines)	\$0 copay	N/A	N/A	N/A
Note: Getting your Part D vaccines (e.g., Tetanus (Tdap), shingles, etc.) in a pharmacy provides the best coverage. While you may get them in your doctor's office, you may incur greater cost since it is a Part D benefit.				
Stage 3: Coverage Gap	After your total yearly drug costs reach \$4,660 , you will enter the Coverage Gap. While you're in the Coverage Gap: <ul style="list-style-type: none">For drugs in Tiers 1 through 5, you will pay no more than 25% coinsurance for generic drugs or 25% coinsurance for brand-name drugs.Both the amount you pay and the amount paid by the manufacturer (for brand-name drugs) count toward your true (or total) out-of-pocket (TrOOP).			
Stage 4: Catastrophic Coverage	After your yearly true (or total) out-of-pocket (TrOOP) drug costs (including drugs you buy from network retail or mail-order pharmacies) reach \$7,400 , you pay the greater of: <ul style="list-style-type: none">5% of the cost; or\$4.15 copay for generic (including brand name drugs treated as generic); and\$10.35 copay for all other drugs.
