<input type="checkbox"/> <b>Elite D</b> UW Health Quartz Medicare Advantage plan (with drug benefit)	\$119.00
<input type="checkbox"/> <b>Optional Supplemental Dental Benefit</b>	\$38.00

(Available only during Annual Election Period or during the first 30 days of your initial enrollment.)

\*I understand that I may be subject to a late enrollment penalty if I do not maintain creditable prescription drug coverage and choose to add Medicare prescription benefits at a later date.

### Paying your plan premium

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) through a Quartz automatic withdrawal from your checking or savings account, automatic deduction from your Social Security check, or Railroad Retirement Board benefit check, or you can make your own payments upon receipt of your monthly invoice. If you want to change your current payment option, please contact a Quartz Champion at (800) 394-5566 (TTY: 711).

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office or call 1-800-MEDICARE (1-800-633-4227), 24 hours per day, 7 days per week. TTY users should call 1-800-486-2048.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium for this benefit. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover. You will get an invoice if you don't select a payment option.
