Effective January 1, 2025

UW Health Quartz Medicare Advantage

Summary of Benefits

This Summary of Benefits booklet gives you an overview of what **Quartz Medicare Advantage (HMO), in partnership with UW Health System**, covers and what you pay. It doesn't list every service that we cover or every limitation or exclusion. To get a complete list of services we cover, call a Quartz Champion and ask for the "Evidence of Coverage." Phone numbers are listed on the next page.

Quartz Medicare Advantage is an HMO plan with a Medicare contract. Enrollment in this plan depends on contract renewal. **Benefits, premiums, copayments, and coinsurance may change on January 1 of each year.** Limitations, copayments, and restrictions may apply. Other pharmacies/physicians/providers are available in our network. Other plans may be available in the service area. The formulary, pharmacy network, and provider network may change at any time. You will receive notice about these changes when necessary.

This information is not a complete description of the benefits. Call **(800) 394-5566 (TTY: 711)** for more information.

Who can join?

To join Quartz Medicare Advantage, **you must be entitled to Medicare Part A, enrolled in Medicare Part B, and live in our service area.** Our service area includes the following Wisconsin counties:

- Adams, Columbia, Dane, Dodge, Grant, Green, Green Lake, Iowa, Jefferson, Lafayette, Marquette, Richland, Rock, Sauk, and Waushara.

Which doctors, hospitals, and pharmacies can I use?

Quartz Medicare Advantage has a network of doctors, hospitals, pharmacies, and other providers. Generally, you need to use network pharmacies to fill your prescriptions for covered Part D drugs. If you use the providers not in our network, the plan may not pay for those services. For some services, you can use providers that are not in our network. You can see our plan's provider and pharmacy directories on our website at [QuartzBenefits.com/MAfindadoctor](https://www.QuartzBenefits.com/MAfindadoctor), or call us and we will send you a copy.

What do we cover?

We cover everything that Original Medicare covers – and more. Our plan members get more benefits than what is covered by Original Medicare. You may pay more in our plan for some of these benefits than you would in Original Medicare. For others, you may pay less. You'll find some of these benefits outlined in this booklet.

We cover Part D drugs. We also cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of covered Part D drugs) and any restrictions on our website, [QuartzBenefits.com/MAFormularyPage](https://www.QuartzBenefits.com/MAFormularyPage), or call us and we will send you a copy of the formulary.

How do I determine my drug costs?

Our plan groups each medication into one of six "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document, we explain the Prescription Deductible and Initial Coverage benefit stages.

Need more information?

If you're a member or would like to become one, please call us at **(800) 394-5566 (TTY: 711)**, or go to our website at [QuartzBenefits.com/MedicareAdvantage](https://www.QuartzBenefits.com/MedicareAdvantage).

Hours: From October 1 to March 31, you can call us seven days a week from 8 a.m. to 8 p.m. From April 1 to September 30, you can call us Monday through Friday from 8 a.m. to 8 p.m.

More information about Original Medicare

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare and You" handbook. View it online at [medicare.gov](https://www.medicare.gov) or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users, call **1-877-486-2048**.

Pre-enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Quartz Champion at **(800) 394-5566 (TTY: 711)**.

Understanding the benefits

- ❑ **The Evidence of Coverage (EOC)** provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. To view a copy of the EOC, visit [QuartzBenefits.com/MedicareAdvantage](https://www.QuartzBenefits.com/MedicareAdvantage) or call **(800) 394-5566 (TTY: 711)**.
- ❑ **The Provider Directory.** Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ❑ **The Pharmacy Directory.** Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ❑ **The Formulary.** Review the formulary to make sure your drugs are covered.

Understanding important rules

- ❑ In addition to your monthly plan premium, you will need to continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ❑ Benefits, premiums, and/or copayments/coinsurance may change on **January 1, 2025**.
- ❑ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in our provider and pharmacy directories).
- ❑ Effect on current coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
