The Wisconsin Insurance Commissioner has set standards for **Medicare supplement insurance**. This policy meets these standards. It, along with **Medicare**, may not cover all your medical costs. You should carefully review all policy limitations. For an explanation of these standards and other important information, see the "Wisconsin Guide to Health Insurance for People with **Medicare**" given to you when you applied for this policy. **Do not buy this policy if you did not receive the Wisconsin Guide to Health Insurance for People with Medicare.**

## WHY BUY MEDICARE SUPPLEMENT INSURANCE?

---

If you currently have **Medicare** alone, you know it does not always pay 100% of the bills. Supplemental insurance, such as **Quartz Medicare Supplement**, is additional insurance that will pick up the costs after **Medicare** pays. It also covers certain benefits that **Medicare** does not. With this additional coverage, it leaves you with little to no out-of-pocket cost-sharing and gives you peace of mind that your medical expenses will be taken care of. **Quartz Medicare Supplement** provides multiple options to choose from. From these options, **Quartz** can build a **plan** that is right for you and fits your needs.

---

## ENROLLMENT INFORMATION

---

To enroll in **Quartz Medicare Supplement**, you need to meet the following criteria:

- ✓ You must be at least 65 years of age or under 65 with certain disabilities (e.g., End-Stage Renal Disease).
- ✓ You must reside in Wisconsin on the **effective date** of the policy.
- ✓ You must have been enrolled in **Medicare** Part A and Part B by the date your policy starts.
- ✓ You must not be covered by Medicaid (BadgerCare) or a **Medicare Advantage plan**.

To apply you must meet all eligibility requirements, fill out an application, and return it to your insurance agent.

If you join a **Medicare Advantage (MA) plan**, you cannot use **Medicare supplement insurance (Medigap)** to pay for out-of-pocket costs you have in an **MA plan**. If you already have an **MA plan**, you cannot be sold a **Medigap** policy. You can only use a **Medigap** policy if you disenroll from your **MA plan** and return to original **Medicare**.

If you are not enrolled in **Medicare** Part B or discontinue or lapse your **Medicare** Part B medical insurance, and you incur charges allowable by **Medicare**, we will pay **Medicare-eligible expenses** as if you had been insured

under **Medicare** Part B. You will be responsible for the charges that **Medicare** Part B should have covered, had you been enrolled.

### ***Open Enrollment Period***

The **Quartz Medicare Supplement** open enrollment period is the six calendar months immediately following the month you enroll in **Medicare** Parts A and B.

Coverage begins the first of the month after we accept your application and premium. It could also begin on the **effective date** you requested on your application. The **effective date** you request can be up to three months from when you completed your application.

Enrollments made during the open enrollment period are guarantee issue.

### ***Special Enrollment Period***

If you have lost or are losing other health insurance coverage, you may be guaranteed acceptance in one or more of our **Medicare Supplement plans** that we offer. You may have received a notice from your prior insurer saying that you had certain rights and were eligible for guaranteed issue or a **Medicare supplement insurance policy**. You must submit a copy of the notice from your prior insurer with your application to us. You must submit them to us no later than 63 days after your other coverage ends.

Coverage begins the first of the month after we accept your application and premium. It could also begin on the **effective date** you requested on your application. The **effective date** must be within 63 days from the termination of your previous policy.

Enrollments made during this period are guarantee issue.

### ***Other Enrollment Period(s)***

Enrollments made outside of the open enrollment period are subject to medical underwriting.

---

## SERVICE LOCATIONS

---

Unlike an HMO, **Quartz Medicare Supplement** gives you the option to keep the same doctor you have been seeing for years. You can also change doctors at any time. As long as you are a Wisconsin resident at the time your policy takes effect, you have complete freedom to see any **Medicare**-payable healthcare provider, anywhere in the U.S. If you move, your coverage can move with you. It's that easy.

---

## PREMIUM INFORMATION

---

We can only raise your premium if we raise the premium for all policies like yours in this state. Premiums may change annually on your renewal date. They also may change if you move into a new rating area. The first month's premium must be received to activate your **Quartz Medicare Supplement** coverage.

---

## USE THIS OUTLINE TO COMPARE BENEFITS AND PREMIUMS AMONG POLICIES

---

**Read your policy very carefully.** This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

---

## RIGHT TO RETURN POLICY

---

If you find that you are not satisfied with your policy, you may return it to **Quartz** at 2650 Novation Parkway, Madison, WI 53713. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued. We will return all your payments directly to you.

---

## **POLICY REPLACEMENT**

---

If you are replacing another health insurance policy, do not cancel that policy until you have actually received your new **Quartz Medicare Supplement** policy and are sure you want to keep it.

---

## **NOTICE**

---

This policy may not fully cover all your medical costs.

---

## **RENEWAL TERMS**

---

As a member of **Quartz Medicare Supplement**, you will never be cancelled because of your health. As long as you continue to make your full premium payments on time, you are guaranteed renewable for life.

For your **Quartz Medicare Supplement** coverage to continue, we must receive your premium as required by the policy. Your grace period for paying premium is 31 days after the premium due date.

---

## **PAYMENT OPTIONS**

---

Each month you will receive a billing statement. There are several ways you can pay your premium.

### **Option 1 - Pay by Check or Money Order (cash not accepted)**

If you choose to make your monthly premium payment by check or money order, you must submit the tear-off portion of your billing statement each month with your premium payment. Premium payments should be mailed to:

Quartz Health Plan Corporation  
2650 Novation Pkwy.  
Madison, WI 53713

## **Option 2 - Online Payment**

You can pay your premium online through your MyChart account at **QuartzMyChart.com**. Don't have an account? Go to **QuartzMyChart.com** and select "SIGN UP NOW." Next, follow the easy steps for instant activation or complete the process by mail.

## **Option 3 - Phone Payment**

To pay your premium via telephone, call (800) 362-3310. This is an automated payment process. You may provide your banking information or credit/debit account information when making your payment through this option.

## **GRACE PERIOD**

---

Any premium not paid to us by the due date is in default. For each premium not paid when due, there is a 31-day grace period. If you do not pay your premium in full, the policy will terminate automatically at the end of the 31-day grace period, back to the first day of the month for which the premium was not paid. If you do not pay your premium by the end of the grace period, you will be responsible for any services rendered during the grace period that **Quartz** would have paid for on your behalf. You may notify us in advance if you want to end the policy.

**Neither Quartz Medicare Supplement  
nor its agents are connected with  
Medicare.**

## PREMIUM RATES

We can only raise your premium if we raise the premium for all policies like yours in this state. Premiums may change annually on your renewal date. They also may change if you move into a new rating area.

## MANDATED BENEFITS

---

**Skilled Nursing Facilities — Medicare Supplement and Medicare Select** policies cover 30 days of **skilled nursing care** in a **skilled nursing facility**. The facility does not need to be certified by **Medicare** and the stay does not have to meet **Medicare's** definition of skilled care. No prior hospitalization may be required. The facility must be a licensed skilled care nursing facility. The care also must meet the insurance company's standards as **medically necessary**.

**Home Health Care — Medicare Supplement and Medicare Select** policies cover up to 40 home care visits per year in addition to those provided by **Medicare if you qualify**. Your doctor must certify that you would need to be in the hospital or a skilled nursing home if the home care was not available to you. Home nursing and **medically necessary** home health aide services are covered on a part-time or intermittent basis, along with physical, respiratory, occupational, or speech therapy. **Medicare supplement insurance** companies are required to offer coverage for 365 **home health care** visits in a policy year. Insurance companies may charge an additional premium for the additional coverage. **Medicare** provides coverage for all **medically necessary** home health visits. However, "**medically necessary**" is defined quite narrowly, and you must meet certain other criteria.

**Kidney Disease — Medicare Supplement and Medicare Select** policies cover inpatient and outpatient expense for dialysis, transplantation, or donor-related services of kidney disease in an amount not less than \$30,000 in any **calendar year**. Policies are not required to duplicate **Medicare** payments for kidney disease treatment.

**Diabetes Treatment — Medicare Supplement and Medicare Select** policies cover the usual and customary expenses incurred for the installation and use of an insulin infusion pump or other equipment or non-prescription supplies for the treatment of diabetes. Self-management services are also considered a covered expense. This benefit is available even if **Medicare** does not cover the claim.

**Medicare Supplement** and **Medicare Select** policies issued prior to January 1, 2006, for individuals who do not enroll in **Medicare** Part D cover prescription medication, insulin, and supplies associated with the injection of insulin. Prescription drug expenses are subject to the \$6,250 **deductible** for drug charges. This **deductible** does not apply to insulin.

**Medicare Supplement** and **Medicare Select** policies issued beginning January 1, 2006, do not cover prescription medication, insulin, and supplies associated with the injection of insulin as policies are prohibited from duplicating coverage available under **Medicare** Part D.

**Chiropractic Care – Medicare Supplement** and **Medicare Select** policies cover the usual and customary expense for services provided by a chiropractor under the scope of the chiropractor’s license. This benefit is available even if **Medicare** does not cover the claim. The care also must meet the insurance company’s standards as **medically necessary**.

**Hospital and Ambulatory Surgery Center Charges and Anesthetics for Dental Care – Medicare Supplement** and **Medicare Select** policies cover hospital or ambulatory surgery center charges incurred and anesthetics provided in conjunction with dental care for an individual with a chronic disability or an individual with a medical condition that requires hospitalization or general anesthesia for dental care. The care also must meet the insurance company’s standards as **medically necessary**.

**Breast Reconstruction – Medicare Supplement** and **Medicare Select** policies cover breast reconstruction of the affected tissue incident to a mastectomy.

**Colorectal Cancer Screening – Medicare Supplement** and **Medicare Select** policies cover colorectal cancer examinations and laboratory tests. Coverage is subject to any cost-sharing provisions, limitations, or exclusions that apply to other coverage under the policy.

**Coverage of Certain Health Care Costs in Cancer Clinical Trials – Medicare Supplement** and **Medicare Select** policies cover certain services, items, or

drugs administered in cancer clinical trials in certain situations. The coverage is subject to all terms, conditions, and restrictions that apply to other coverage under the policy, including the treatment under the policy of services performed by in-network and out-of-network providers.

**Prescription Eye Drop Refills — Medicare Supplement and Medicare Select** policies may cover prescription eye drops if covered under **Medicare** Part A or B. **Quartz** will not deny coverage of a member's request for reasons of an early refill of prescription eye drops.

## **GRIEVANCE AND EXTERNAL REVIEW**

---

If you are dissatisfied with the providing of services, our claim practices, or administration, you have the right to file a written grievance. Your grievance must be in writing, and it should be called a grievance.

We will let you know we received your grievance within five calendar days. Our Grievance and Appeals Committee will conduct a complete review of your grievance case. You will have a chance to come before the committee to present written or oral information and ask questions. We will inform you of the date and place of the committee meeting at least seven calendar days in advance.

In general, the resolution of your grievance will occur within 30 calendar days after receiving your grievance. However, we may extend this period by 30 more calendar days. If an extension is required, we must get your written or verbal permission prior to taking an extension. We will let you know in writing prior to the expiration of the first 30-day period. You must complete this grievance process before you start any legal action against us or before requesting an external review (except in limited circumstances explained in the policy).

### **External Review**

If you are not happy with the decision of the Grievance and Appeals Committee and your grievance qualifies, you may request an external review.

A neutral third party then reviews your case and makes a decision. We will inform you if your grievance qualifies for external review.
