

Quartz 2025 Prior Authorization Data – Iowa

Approval and Denial Statistics

Request Priority	Decision	Total Number	Percentage (%)
Urgent	Approved	0	0%
Urgent	Denied	0	0%
Nonurgent	Approved	2	100%
Nonurgent	Denied	0	0%
Nonurgent (Complex/Unique)	Approved	0	0%
Nonurgent (Complex/Unique)	Denied	0	0%

All values aggregated across all health care items and services.

Percentages are calculated relative to total requests within each category.

Time to Determination Metrics

Request Priority	Average Time in days	Median Time in days
All Requests	0	0
Urgent	N/A	N/A
Nonurgent	0	0

Time is measured from submission to final determination. In these cases, the requests were processed the same day they were received.
